## Sunday Mornings

We will be running morning sessions again this year 10:00 am to 12:00 pm starting Sunday April 4th.

It is intended to give junior and novice sailors time on the water without having to worry about getting in anyone's way as the racing proper does not get underway until the afternoons.

The intention is to develop on the basic skills already learnt and to introduce some sailing around a triangular course, and maybe some novice races.

There will also be plenty of time for just messing about on the water, and no doubt in it when it gets warm enough.

Eventually we would like to see the Juniors having the confidence to join in with the afternoon race series.
